Hey, per Alastair's response, do you have any high-level data re: Google Play? (see below)

Thanks,

Johnny

Those would give you the high level stuff probably.

Hey guys,

Matt has asked that the product team provide a brief competitive analysis of Google Play at his offsite next week. Does your team have any data (I'm assuming 3rd party) that you've used for similar purposes? I'm thinking high-level numbers like: total revenue, downloads, market share, etc.

Anything you can provide would be helpful.

Thanks!

Johnny
